

Suncatcher Eco. Solar post top

Fact File

Technical data	Suncatcher Eco - Solar post top
Solar panel	Mono-crystalline 25W 6V
Battery capacity	3.2V 25Ah Lithium iron phosphate (LiFePO4)
Programmeable	Yes - with remote - motion sensor and sleep mode
LED type	2835 High efficacy LEDs
CRI	Better than 85
CCT options	3k or 4k or 6k
IP rating	IP 65
Lumen output (16W)	1800 lumens
Fit over pole size?	76mm diameter
Dimensions	610mm diameter x 230mm high
Weight	6kg
